Capstone Course Management

Winter/Spring 2021

Websites

- [Class website](#) ([GitHub repo](#))

- [GitHub organization](#)

- [Google Shared Drive](#)

- [Gitter community](#)

- e.g. [Getting started slides](#) ([GitHub repo](#))

User administration

- [Everyone's contacts and GitHub IDs](#)
- Gitter room permissions inherit from GitHub permissions
- Google Drive and Calendar permissions are set separately

Course communication

- Ask everyone to use Gitter
- Whether to give access to private Gmail address (ideas?)

Todo

- Sign up and get access on GitHub
- Setup access for student GitHub ids
- Setup Gitter rooms
- Setup Jupyter-book development
- Setup Google slides
